## Pain/Bread

*Baguette, White, Country & Rye.*

*Pain Tradition*

*Brioche* – a perfect accompaniment to salmon or toast for paté

*Speciality Breads* – walnut and raisin, onion, cheese and tomato and basil

All our breads are suitable for home freezing on the day of purchase.

As the majority of our breads are fat free, with no additives or preservatives, the shelf life is very short. To retain freshness overnight without freezing, cover bread with a clean tea towel. To recover the crisp texture place in a medium oven for a few minutes.

Whilst some of our products do not contain nuts, we cannot guarantee that they are free from nut traces
